Beloved GW Family, your journey to GW and your move into your home away from home for the 2022-2023 academic year will be here in a few short weeks! We are excited for this next chapter of your life. Some key steps to start your planning are:

1. To continue receiving our emails, add us to your address book. This email was sent to .

2. If you've already chosen a date and time to move in, please log into the Campus Living E-Services Portal to confirm your arrival date as per your initial choice. If you've already chosen a date and time, you must confirm your arrival date by Aug. 10. If you do not confirm your arrival date by Aug. 10, you will be assigned a move-in time on Aug. 22.

3. Wait for GW's Mail and Package Services (MPS) to notify you that your package has arrived. The notification you may receive from FedEx/UPS only indicates it was dropped off to central campus. If you have not submitted your photo to the GWorld Office, you will not be issued a temporary access card. You can pick up your GWorld Office and check on your residence hall, dining, and more.

4. If you are approved for an early move-in, please confirm your arrival date on the Campus Living E-Services Portal. If your arrival plans need to be adjusted, we recommend you do so before this time. If your arrival plans need to be adjusted, we recommend you do so before this time.
