

Fall 2022 Move-in

Hi there,

Believe it or not, your journey to GW and your move into your home away from home for the 2022-2023 academic year will be here in a few short weeks! We hope you are excited about this next chapter of your life. We also recognize that you likely have a few questions as you start/continue with your final preparations. We hope this move-in preview helps!

□ Important: Your Move-In Date & Timeslot

All first-year students will move in on Aug. 20-22, except for a few groups of students (ie: athletes, pre-orientation program participants) who are approved to arrive earlier than their designated arrival window. All transfer students will move in on Aug. 23, with few exceptions that have been communicated directly to CLRE.

- **If you haven't selected a date & time to move in**, please sign up for a move-in timeslot on the [Campus Living E-Services Portal](#) **by Aug. 10**. By letting us know your arrival date and time, we can have your [U•Pass](#), parking voucher, and other important materials prepared and ready for you to have a successful move-in. *Note: If you do not choose by Aug. 10, we will assign you a timeslot on the weekend of Aug. 27.*
- **If you've already chosen a date & time to move in**, thank you! This helps us to prepare for your arrival! We recommend that you log into the [Campus Living E-Services Portal](#) to double-check that your date & time is what you remembered choosing earlier this summer. And also, please use this time to double-check airline/train tickets or with your driver to ensure your travel itinerary is set.
- **If you are approved for an early move-in**, please confirm your arrival in your [Campus Living E-Services Portal](#). If your arrival plans need to be adjusted, we recommend you reach out to your program liaison, who can coordinate w/the CLRE team. *Also, please do review the [Parking & Move-in Logistics](#) info below!*

□ Parking & Move-in Logistics: Your One-Stop Shop for Info

All of the important information about move-in you need to know is in one central location – Our [Fall Move-In Website](#). On this site, you'll find all the most recent information about check-in dates, locations, our famous blue carts, mail, parking, and more!

Your Guide to Fall 2022 Move-in

* PRO TIPS *

1. *Save this webpage on your mobile device and check back for updates.*
2. *Share this guide with your family, and especially the person driving you to campus as we have included the GPS coordinates for each building.*

□ What to Pack/What to Bring

We've put together a list of [recommended items](#) for you to bring to campus. Remember that for the safety of our residential students, there are also [prohibited items](#) you should not bring. Remember to consult with your roommate(s) ahead of time to make sure you're not both purchasing the same items that you intend to share!

Whether you are coming by plane, train, or automobile, you may find it easier to mail yourself a few packages to lighten the load as you travel to campus. If you do, please follow these instructions:

Plan your delivery so that your package arrives a few days before arrival and no more than one week prior.

NOTE: On various move-in dates we will have package pickup centers in certain residence halls. Check the [Your Guide to Fall Move-in Webpage](#) mid-month for updates.

* PRO TIPS *

1. *Provide your address information to your friends & family. Maybe someone will surprise you by sending a care package.*
2. *Wait for GW's Mail and Package Services (MPS) to notify you that your package has arrived. The notification you may receive from FedEx/UPS only indicates it was dropped off to central receiving. it will take a moment for MPS to process the arrival.*

➔ What's Next?

We take the health and well-being of our community seriously. Early next week, GW will provide an update on the public health protocols and campus safety measures that the university community will be expected to follow this fall. This guidance will include pre-arrival and return to campus testing requirements, on-campus COVID-19 testing, quarantine and isolation protocols, and more. An email will be sent to the campus community, and [GW's COVID-19 Resource webpage](#) will be updated.

Finally, a few days before your move-in, we will send another message with details about your check-in location, parking, and general tips to have a successful move-in experience. In the meantime, if you have any move-in questions, don't hesitate to reach out to us at living@gwu.edu and we'll be happy to help.

See you soon!
