A Few Notes about Signing-Up for a Move-In Slot

Summer Residents

If you are living on campus as a summer resident, you **do not** need to select a move-in date and time. If moving to a new room for the fall semester, you will move from your summer room to your fall room **Aug. 8-9**. We will send you details closer to your move date. If you will be remaining in your summer room for the fall semester you are all set – no additional action steps are needed.

Programs Pre-Approved for Early Arrival

Pre-approved early arrival programs include, but are not limited to: varsity athletic teams with fall seasons, Office of Student Life Pre-Orientation Programs, School of Engineering & Applied Science student leaders, GW Hillel Launchpad student leaders, the Institute for Citizen Leaders, etc. Additional programs with an early arrival will be added as those programs finalize their schedules. **Please note that CLRE has not yet received a complete list of participants for some programs.**

If you are part of a program and you have been notified that you have been pre-approved for early arrival on dates outside of the above five regular move-in dates, you will be able to select your pre-approved early arrival date when you log into the portal. If you were notified of your pre-approval move-in date and it is not an option, please email us at living@gwu.edu and explain the situation. A member of our team will be back in touch with you in 2-3 business days.

If you believe that you should have a pre-approved early arrival in one of these programs, but don't have access to pick the selected date, no need to reach out to us. As we get the final lists of participants from the programs, we will give you access to select the pre-approved move-in date(s). You are welcome to select a different date for now or check this move-in sign-up page again in the coming days and weeks to pick your pre-approved early arrival move-in date and time.

After selecting a move-in date and time, you may adjust your date and/or time until **Aug. 1 at 5 pm EDT**, when the move-in sign-up page will close and we will prepare for the major arrival dates.

More information about check-in locations and other arrival logistics will be shared as we get closer to move-in!

Have a great day,

Campus Living & Residential Education
