

## Fall 2022 Move-in

Hi there,

We hope your summer is going well. In the past months, you received your 2022-2023 housing assignment. Today, Campus Living & Residential Education is opening up for move-in date and time sign up.

As a reminder, returning upperclass students have the following available dates to select for fall move-in:

- **Thursday, August 18**
- **Friday, August 19**
- **Friday, August 26**
- **Saturday, August 27**
- **Sunday, August 28**

Move-in slots will be available in four-hour periods across each day. In your Campus Living eServices Portal, click "Sign-Up for a Move-In Date and Time" to select your move-in date and time:

[Enter Your Campus Living eServices Portal to Select Your Move-In Date and Time](#)

### A Few Notes about Signing-Up for a Move-In Slot

#### Summer Residents

If you are living on campus between now and August as a summer resident, ***you do not need to select a move-in date and time***. If moving to a new room for the fall semester, you will move from your summer room to your fall room across August 10-12.

#### Programs Pre-Approved for Early Arrival

If you are a part of a program pre-approved for early arrival or arrival on dates outside of the above five dates, you will be able to select your pre-approved early arrival date in your move-in selection.

***Please note that Campus Living & Residential Education has not yet received all program's list of individuals designated for these programs.*** If you believe that you should have pre-approved early arrival in one of these programs, but don't have access to pick the selected date, no need to reach out to us. As we get final lists of participants from the programs, we will give you access to select the pre-approved move-in date(s). You are welcome to select a different date for now or check this move-in sign-up page in the coming days and weeks to pick your eventual move-in date and time.

Pre-approved early programs include, but are not limited to: varsity athletic teams with fall seasons, Office of Student Life Pre-Orientation Programs, School of Engineering & Applied Science student leaders, GW Hillel Launchpad student leaders, the Institute for Citizen Leaders, NROTC, etc. More programs will be added for early arrival as move-in information is shared with us from each program.

After selecting a move-in date and time, you may adjust your time up until **August 10**, when the move-in sign-up page will close and we will prepare for the major arrival dates.

More information about check-in locations and other arrival logistics will be shared as we get closer to move-in!

Have a great day,  
Campus Living & Residential Education
